

Adobe brick dome workshop
Summer 2011 in Crete

team are organizing their 3rd workshop 'building a dome with adobe bricks' with Gernot Minke.

where: The workshop will take place on the grounds of meta-com retreat ([HYPERLINK "http://www.meta-com.de" http://www.meta-com.de](http://www.meta-com.de)) in Anidri village, close to Paleochora, chania, Crete.

what: The 7-day workshop includes practice and theory of dome building with adobe bricks, earth plasters and green roofs and will be conducted by professor Gernot Minke in english.

The dome will be used from meta-com as a space where groups of people can come together and share thoughts and exchange ideas.

cost: The cost of the workshop will be 350euros per person and will include accommodation at meta-com retreat, breakfast, tea break with brunch and a main meal.

daily programme: The workshop will start on Sunday the 26th of June at 10.00 and will be completed next Sunday the 3rd of July with a closing party.

There will be two teams of 7 people working simultaneously on site at the same time. The daily programme will be breakfast at 07.30, work and theory from 8.00 – 12.00, a break because of the hot weather and for the main meal, work will carry on again from 15.00 – 19.00. The rest of the day is yours to explore Paleochora.

registration: for any questions or to register fill out the form below and forward it to: pilikoteam@gmail.com

We will require a 100euro deposit. If you cancel your registration 4 weeks prior to the start of the workshop we will refund 50euro.

Applications will be made until the 22nd of May.
